The Lan - na Hearth

"The Lan-na Hearth" is a series of creative two - dimensional, acrylic technique paintings, in the traditional Thai Art concept. The expression is made through the authentic Lan-na kitchen, where in the Lan-na life style and mural paintings are the sources of inspiration. The painting present the concept and life style in the kitchen of the old time Lan-na. It also reflect happiness and warmth through the gleam of light in early dawn as well as the artist's personal impression.
