Shadow of Time

the oil on canvas exhibition

by

NARET YAMAHARN

4 September to 15 October 2007,

at Gossip Gallery

"Shadow of Time"

Thai artist Naret Yamaharn Large scale paintings, both abstract and figurative continue to follow themes of change and the cyclical nature of life, seasons change from winter to spring, reflections appear and shift across the surface of a river and tree branches spread elegantly across his canvas.

Naret works in oils, his painting range from bold abstract mark-making to refined and almost surreal images. He is preoccupied with movement and adjustment in nature and life. This exhibition subtly dominates its surroundings and shows an artist at ease in his use of materials and themes. The idea of "Shadow of time" is approached with confidence and subtlety. Naret has been widely exhibited in group and solo exhibitions during recent years and his paintings have a place in many private collection.

The painting under a concept "Abstract & Semi-Abstract"

"ข้าพเจ้า....ต้องการแสดงออกถึง...อารมณ์...ความรู้สึก เกี่ยวกับการเปลี่ยนแปลง
และปรับตัวของชีวิต.... ให้สอดคล้องกับสภาวะแวดล้อมใหม่
เพื่อความสมดุลของชีวิตที่สวยงาม....
โดยได้แรงบันดาลใจจากรูปทรงของ....ฝูงปลาที่แหวกว่ายอยู่ในน้ำ....
...เงาสะท้อนของต้นไม้และใบไม้....
มาเป็นสื่อสัญลักษณ์แสดงออกในผลงานจิตรกรรมแนวนามธรรมชุดนี้
.....Shadow of time....."

"I would like to express emotions and feelings about changing.....
An adaptation of life to be matched with a new environment, to be a balanced and beautiful life.....
My inspiration comes from the many shapes of fish in the river, shadows of trees and leaves.....
These jointly create my painting under a concept "Shadow of Time"
