

W. W. O. N. S.
Rama IX Art Museum Foundation

Now Show.

s h o w o f f takes us on a journey through the works of 4 Thai photographers, each having their own style & techniques of photography. This beautifully reproduced book portrays both documentary and fine art photography, all the 40 prints were selected from over thousands of images photographed over the years. Show off is a must for all art directors and fine art lovers to have in their book collection.

"What was any Art but a mould in which to imprison for a moment the shining,
elusive element which is life itself-life hurrying past us and running away
too strong to stop, too sweet to lose."
