BUYING AND SELLING AT CHRISTIE'S

Christie's welcome you to our viewing galleries and salerooms. Our specialists and client services staff will be pleased to help you with any aspect of buying or selling at auction. We can provide assistance in a wide range of languages.

BUYING AT AUCTION

USING THIS CATALOGUE

Auction Estimates

Each entry in this catalogue includes an estimated price range which reflects the opinion of our specialists. These are based upon prices recently paid at auction for comparable property and take into account such things as condition, rarity, quality and history of previous ownership (provenance). Estimates are subject to revision; they do not include the buyer's premium or VAT. Where "Estimates on Request" appears, please contact Christie's Departmental specialists for further information.

Reserves

The reserve is the minimum price the seller is willing to accept and below which the lot will not be sold.

Buyer's Premium and VAT

Buyers are reminded that the actual purchase price will be the sum of the final bid price plus the buyer's premium, in addition 17.5% of the first THB 3,000,000 and 10% in excess of the final bid price above that amount. VAT at the appropriate rate is payable on the premium. These charges are explained in detail under Christie's Charges and VAT at the back of this catalogue.

BEFORE THE AUCTION

You can attend pre-sale viewing for all our auctions at no charge. All property to be auctioned is usually on view for several days prior to the sale. You are encouraged to examine lots thoroughly and to request condition reports (see below) and to request condition and client services staff are available to give advice at all viewing or by appointment.

Condition Reports

If you would like additional information about a particular lot, or cannot come to the viewing, Christie's can usually provide a condition report. Please contact the specialist department in charge of the sale. We remind prospective buyers that descriptions given are not warranties but opinions only and are given subject to our Conditions of Business.

Registration

If you are planning to buy at auction, you will need to register at our Registration and Information Desks. Please arrive 30 minutes before the sale to complete bidder registration and to receive a numbered "paddle" to identify yourself. Alternatively, you can register a day or two in advance, and on the day of sale go straight to the Registration Desk to obtain your paddle. If you are a new client, or if you have not made a recent purchase at Christie's, you will be asked to supply a bank reference when you register. To avoid any delay in the release of your purchases, you may wish to pre-arrange cheque or credit approval. If so, please contact Christie's at (662) 652 1097. Before you bid, we ask you to read our Conditions of Business which appear at the back of this catalogue. The acceptance of your bid will be subject to these conditions.

THE AUCTION

All auctions are open to the public, whether intending purchasers or not. Some evening sales require an admission ticket (these are free, but limited in number) which must be requested in advance from the administrator of the appropriate department.

Bidding

Property is auctioned in numerical lot order, as it appears in the catalogue. The lot being offered is usually shown at the front of the saleroom or illustrated on a screen. The auctioneer will accept bids from those present in the room or absentee bidders participating by telephone or by written bid. Auctions usually proceed at about 40-50 lots per hour, though it may vary depending on the category of items being sold.

Bidding Increments

Bidding generally opens below the low estimate and advances in the following increments:

Bid	Bid
10,000 to 20,000	by 1,000
20,000 to 30,000	by 2,000
30,000 to 50,000	by 5,000 or 2,000-5,000-8,000
50,000 to 100,000	by 5,000
100,000 to 200,000	by 10,000
200,000 to 300,000	by 20,000
300,000 to 500,000	by 50,000
500,000 to 1,000,000	by 100,000
1,000,000 to 2,000,000	by 200,000
2,000,000 to 3,000,000	by 500,000 or 200,000-500,000-800,000
3,000,000 to 5,000,000	by 500,000
5,000,000 up	Auctioneer's discretion

However, the auctioneer may change the increments during the course of the auction at his or her discretion.

Currency Conversion

Bidding is carried out in Thai Baht, but Christie's usually provides a currency conversion board in the saleroom for the convenience of bidders. Please note that figures shown in foreign currencies are only approximations and do not represent exact exchange rates. Payment will be requested in Thai Baht.

Written Bids

If you cannot come to an auction in person, Christie's can bid for you. There is no charge for this service, known as commission bidding. If successful, you simply pay the final bid (hammer price) plus the premium and any VAT due in the usual way, as explained on the written bids form at the back of this catalogue. Written bids are subject to our Conditions of Business.

Telephone Bids

It is possible to attend an auction by telephone to bid, but the telephone is used only as a means of estimate of the final bid price. The auctioneer will accept bids that you leave a covering bid which we can execute on your behalf just in case we are unable to reach you by telephone. As the number of telephone lines is limited, please make arrangements for this service at least 24 hours before the sale, especially if you wish to bid in a language other than English. Telephone bids are carried out subject to our Conditions of Business.

Successful Bids

The fall of the auctioneer's hammer indicates the final bid. The auctioneer will call out and record the name or "paddle" number of the buyer. If your written bid is successful, you will be notified immediately after the sale by post. Bidding may be repeated at the auctioneer's discretion.

Unsold Lots

If a lot does not reach the reserve, it is bought in. In other words, it remains unsold and is returned to the consignor.

AFTER THE AUCTION

Payment & Collection of Goods

Payment must be made within seven calendar days of the sale and the property has been bought can then be collected. Goods can be collected only when payment has cleared. Payment can be made

by cash or cheque, made payable to Christie's Auction (Thailand) Co. Ltd. or bank transfer to the Hong Kong & Shanghai Banking Corporation Limited for account of Christie's Auction (Thailand) Co. Ltd., Account No. 001-217926-988. Please indicate invoice number, sale number and sale code for easy reference. To avoid any delay in releasing goods, prospective buyers should supply bank references before the auction.

Storage and Insurance

All purchases will initially be held for collection at the saleroom at no charge. Christie's provides insurance cover for a maximum of seven days after the sale. If purchases are not collected within the time stated in the catalogue, they will be deposited in the warehouse and charges will be incurred. Details are given towards the back of this catalogue (see "Christie's Charges and Sales Tax at the back of this catalogue").

Shipping

Shipping can also be arranged on your behalf. You can also instruct the shipper of your choice, either immediately after the sale, if you are attending, or in writing on the instruction form sent with your invoice.

Auction results by post

Lists of prices realised at Christie's auctions are available on the Internet or your nearest Christie's office or can be requested from Christie's Publications Department, 100, Market Street, 10th Floor, 100000, Bangkok, Thailand, Tel: (662) 652 1097, Fax: (662) 652 1098.

SELLING AT AUCTION

Auction Estimates

If you are considering selling, Christie's is happy to provide a free verbal estimate of the auction value of your property and you can bring items into our salerooms at any time during normal business hours. To ensure proper attention, it is advisable to make an appointment in advance with the specialists department. If a visit is not practical, please send a clear photograph and a written description.

Consignment Agreement

If you decide to sell your property at auction, the procedures are simple and Christie's specialists and administrative staff will do all they can to help you throughout the process. After discussions with our specialists, you will receive a contract, which sets out the terms and fees for services we can provide, such as insurance, shipping and catalogue illustration.

For most categories, Christie's standard commission rate is 10% of the final bid price. VAT is charged on this commission where appropriate. Christie's generally charges a minimum commission of Baht 1,000 for each lot sold, explained at the back of this catalogue. Christie's

will suggest a reserve price and discuss our recommendations for pre-sale estimates of each property that you consign for sale.

Delivery of Property to Christie's
After you have consigned property to us for sale, you can bring your property to Christie's yourself, or arrange with your own shipper to deliver it to us, or Christie's specialist department can organise for it to be shipped through Christie's Shipping Department. Property should arrive at Christie's at least three months before the sale in order that it can be researched, catalogued and photographed. Your property is generally stored without charge at one of Christie's Secure warehouses, although an insurance charge will be made.

Pre-Auction Notification

Before the auction, you will receive a copy of the catalogue featuring your property and a separate confirmation of the reserve price(s) below which it will not be sold. The catalogue is sent to subscribers worldwide and offered for sale through our offices.

AFTER THE AUCTION

Post-Auction Notification

Within a few days after the sale, you will receive a notification of the final bid price (hammer price), or, in the event that the property failed to sell, notification that it was bought-in to be returned to you.

Unsold Lots

If a lot does not reach the reserve, it is "bought-in". The seller should collect such property following the instructions given at the back of the catalogue under "Collection and Storage".

Payment

Approximately 35 days after the auction, you will be sent net sale proceeds and a settlement statement itemizing commission and any other charges. Payment can only be made when Christie's has been paid by the buyer.

ADDITIONAL CONDITIONS OF SALE FOR BOOKS AND MANUSCRIPTS

These Conditions of Sale and Limited Warranty, together with any glossary that may appear elsewhere in this publication, are Christie's and the consignor's entire agreement with the buyer with respect to the property listed in this catalogue. The Conditions and Limited Warranty and all other contents of this catalogue may be amended by posted notices or oral announcements made during the sale. The property offered by us as agent for the consignor, unless the catalogue indicates otherwise.

By bidding at auction, whether present in person or by agent, by written bid, telephone or other means, you agree to be bound by these terms and conditions.

Conditions of Sale

The authenticity of the authorship of property listed in the catalogue is guaranteed only as stated in the Limited Warranty and otherwise all property is sold "AS IS" without any representations or warranties by us or the Consignor as to merchantability, fitness for a particular purpose, description, size, quality, condition, rarity, importance, medium, provenance, exhibition history, literature or historical relevance of any property. No statement set forth in this catalogue or made at the auction or in the bill of sale or otherwise, whether oral or written, shall be deemed such a warranty, representation or assumption of liability. The Consignor and we make no representations and warranties, express or implied, as to whether the purchaser acquires any copyrights or any reproduction rights in any property. Neither the Consignor nor we are responsible for errors and omissions in the catalogue, glossary or any supplemental material. Prospective bidders should inspect the property before bidding to determine

its condition, size and whether or not it has been repaired or restored.

Limited Warranty

Christie's warrants the authenticity of authorship on the terms and condition and to the extent set forth herein. Subject to the provisions hereof, Christie's warrants from a period of five years from the date of sale, the authenticity of the authorship of each book and manuscript and the signature of all autographed material offered for sale, unless otherwise indicated in the catalogue description or unless physical inspection would reveal a self-evident lack of authenticity. The term "authorship" refers to the creator of a signature, book or manuscript or to the period, culture, source or origin,

as the case may be, with which the creation of a book or manuscript is identified in the description of the article in this catalogue. Christie's warranty does not apply to the descriptive or supplemental information set forth in the catalogue entry for each lot, and Christie's shall not be responsible for any errors or omissions therein.

Christie's warrants to the original buyer of record for a period of twenty-one days from the date of sale that any book or manuscript described in this catalogue is complete in text and illustration, unless otherwise described. This warranty does not cover binding damages or restoration, stains or foxing, wormholes, short leaves of text or plates or any defect that does not affect the completeness of the text. Nor does this warranty extend to the omissions of inserted advertisement, blank leaves, cancels or subsequently published volumes, plate supplements or appendices, atlases, extra illustrated books, books

in original parts, serial publications, items grouped in lots or lots which are described as "sold not subject to return" for any reason whatsoever. If this catalogue has a Glossary, certain of the terms used in the catalogue are further explained therein. Any term that is stated in the Glossary to represent a qualified opinion is not subject to the warranty contained herein.

The benefits of this warranty are not assignable and shall be applicable only to the original buyer of the lot and not subsequent assigns, purchasers, heirs, owners or others who have or may acquire an interest in the purchased lot. This warranty is conditioned upon the buyer returning the lot in the same conditions as the time of sale. The buyer's sole remedy under this warranty shall be the rescission of the sale and the refund of the original purchase price paid for the property.

This remedy shall be exclusive and in no way constitute a remedy which might otherwise be available to the buyer as a matter of law, and neither Christie's nor the consignor shall be liable for any consequential damages, including without limitations, loss of profits. Except as specifically provided, all property is sold "as is" and neither Christie's, the consignor's agent, nor the consignor makes any express or implied warranty or representation of any kind or nature with respect to the property. In no event shall Christie's or the consignor be responsible for the correctness of, or be deemed to have made, any representation or warranty of merchantability, fitness for purpose, description, genuineness, attribution, quality, rarity, importance, provenance, exhibition history, literature, historical relevance or condition concerning the property, and no statement set forth in this catalogue or made at the sale or in the bill of sale or invoice or elsewhere, whether oral

or written, shall be deemed such a warranty or representation or an assumption of liability. Christie's and the consignor make no warranty or representation, express or implied, that the buyer of any work of art or other property will acquire any copyright or representation, description, genuineness, attribution, quality, rarity, importance, provenance, exhibition history, literature, historical relevance or condition concerning the property, and no statement concerning the property, and no statement set forth in this catalogue or made at the sale or in the bill of sale or invoice or elsewhere, whether oral or written, shall be deemed such a warranty or representation or an assumption of liability. Christie's and the consignor make no warranty or representation, express or implied, that the buyer of any work of art or other property will acquire any copyright or reproduction rights thereto.

It is Christie's general policy, and Christie's shall have the right to require the buyer obtain, at the buyer's expense, the opinion of two recognised experts in the field, mutually acceptable to Christie's and the buyer, before Christie's determines whether to rescind a sale under the above warranty. If the buyer requests, Christie's will provide buyer with the names of experts acceptable to it.

Christie's Limited Warranty does not apply to: (i) authorship which on the date of sale was in accordance with the then generally accepted opinion of scholars and specialists; (ii) any lot as to which the catalogue description, or saleroom notice specifically mentions that there is a conflict of scholarly or specialist opinion as to authorship; and (iii) identification of the period or dates of the

execution of any property which may be proven inaccurate by means of a scientific process which was not generally accepted for use until after the date of the auction, unreasonably expensive or impractical to use likely to have caused damage to the property.

IMPORTANT NOTICE

1. Lots containing more than one title, letter or manuscript are sold not subject to return.
2. All sets are sold as collections of bindings and are not returnable for any reason(s) covered under Christie's Limited Warranty. These lots are therefore sold not subject to return.

Explanation of cataloguing practice

Estimates

The estimated selling price of each Lot is printed to the left beneath the Lot description and does not include the Buyer's Premium. The sale will be conducted in Thai Baht but for the convenience of buyers the Baht has been converted into US dollars and the dollar figure, which may have been rounded, appears to the right beneath the Lot description. The rate of exchange used is the spot rate quoted to Christie's by the Hongkong and Shanghai Corporation Ltd. (Bangkok branch) at the latest reasonably practicable date prior to the printing of the catalogue and may therefore have changed by the time of the sale. Bidders should bear in mind that estimates are prepared well in advance of the sale and are not definitive. They are subject to revision.

Shipping

Shipping details are given in Important Information for Buyers and Sellers at the back of this catalogue.

Storage

Storage charges may be incurred on items not collected within 35 days from auction date.

VAT

VAT may be payable on items purchased at auction
