BUYING AND SELLING AT CHRISTIE'S

Christie's welcome you to our viewing galleries and salerooms. Our specialists and client services staff will be pleased to help you with any aspect of buying or selling at auction.

BUYING AT AUCTION

USING THIS CATALOGUE

Auction Estimates

Each entry in this catalogue includes an estimated price range which reflects the opinion of our specialists. These are based upon prices recently paid at auction for comparable property and take into account such things as condition, rarity, quality and history of previous ownership (provenance). Estimates are subject to revision; they do not include the buyer's premium or VAT. Where "Estimates on Request" appears, please contact Christie's Departmental specialists for further information.

Reserves

The reserve is the minimum price the seller is willing to accept and below which the lot will not be sold.

Buyer's Premium and VAT

Buyers are reminded that the actual purchase price will be the sum of the final bid price plus the buyer's premium, in general 175% of the first THB 300,000 and 10% in excess of the final bid price above that amount. VAT at the appropriate rate is payable on the premium. These charges are explained in detail under Christie's Charges and VAT at the back of this catalogue.

BEFORE THE AUCTION

You can attend pre-sale viewing for all our auctions at no charge. All property to be auctioned is usually on view for several days prior to the sale. You are encouraged to examine lots thoroughly and to request condition reports (see below). Christie's specialists and client services staff are available to give advice at all viewing or by appointment.

Condition Reports

If you would like additional information about a particular lot, or cannot come to the viewing, Christie's can usually provide a condition report. Please contact the specialist department in charge of the sale. We remind prospective buyers that descriptions given are not warranties but opinions only and are given subject to our Conditions of Business.

Registration

If you are planning to buy at auction, you will need to register at our Registration and Information Desks. Please arrive 30 minutes before the sale to complete bidder registration and to receive a numbered "paddle" to identify yourself. Alternatively, you can register by telephone, fax and on the day of the sale through our Registration Desk to obtain your paddle. If you are a new client, or if you have not made a recent purchase at Christie's, you will be asked to supply a bank reference when you register. To avoid any delay in the release of your purchases, you may wish to pre-arrange cheque or credit approval. If so, please contact Christie's at (662) 652 1097. Before you bid, we ask you to read our Conditions of Business which appear at the back of this catalogue. The acceptance of your bid will be subject to these conditions.

THE AUCTION

All auctions are open to the public, whether intending purchasers or not. Some evening sales require an admission ticket (these are free, but limited in number) which must be requested in advance from the administrator of the appropriate department.

Bidding

Property is auctioned in numerical lot order, as it appears in the catalogue. The lot being offered is usually shown at the front of the saleroom or illustrated on a screen. The auctioneer will accept bids from those present in the room or absentee bidders participating by telephone or by written bid. Auctions usually proceed at about 40-50 lots per hour, though it may vary depending on the category of items being sold.

Bidding Increments

Bidding generally opens below the low estimate and advances in the following increments:

Baht	Baht
100,000,000	by 500,000
200,000,000	by 1,000,000
300,000,000	by 2,000,000
500,000,000	by 5,000,000
(or by 2500-5000-10000)	
500,000 to 100,000	by 5,000
100,000 to 200,000	by 10,000
200,000 to 300,000	by 20,000
300,000 to 500,000	by 50,000
500,000 to 1,000,000	by 100,000
1,000,000 to 2,000,000	by 200,000
2,000,000 to 3,000,000	by 500,000
(or by 200,000-500,000-800,000)	
3,000,000 to 5,000,000	by 500,000
5,000,000 up	Auctioneer's discretion

However, the auctioneer may change the increments during the course of the auction at his or her discretion.

Currency Conversion

Bidding is carried out in Thai Baht, but Christie's usually provides a currency conversion board in the saleroom for the convenience of bidders. Please note that figures shown in foreign currencies are only approximates and do not represent exact exchange rates. Payment will be requested in Thai Baht.

Written Bids

If you cannot come to an auction in person, Christie's can bid for you. There is no charge for this service, known as commission bidding. If successful, you simply pay the final bid (hammer price) plus the premium and any VAT due in the usual way, as explained on the written bids form at the back of this catalogue. Written bids are subject to our Conditions of Business.

Telephone Bids

If you cannot attend the auction, you are welcome to bid on the telephone on lots with a minimum estimate of THB 800,000. (We also recommend that you leave a covering bid which we can execute on your behalf just in case we are unable to reach you by telephone.) As the number of telephone lines is limited, please make arrangements for this service at least 24 hours before the sale, telephone bids are carried out subject to our Conditions of Business.

Successful Bids

The fall of the auctioneer's hammer indicates the final bid. The auctioneer will call out and record the name or "paddle" number of the buyer. Your written bid is not binding until it is accepted by the auctioneer, and it is subject to our Conditions of Business as set out in the catalogue.

Unsold Lots

If a lot does not reach the reserve, it is bought-in. In other words, it remains unsold and is returned to the consignor.

AFTER THE AUCTION

Payment & Collection of Goods

Payment must be made within seven calendar days of the sale and the property you have bought can then be collected. Goods can be collected only when payment has cleared. Payment can be made by cash or cheque, made payable to **Christie's Auction (Thailand) Co. Ltd.**, or bank transfer to the **Hongkong & Shanghai Banking Corporation Limited** for account of **Christie's Auction (Thailand) Co. Ltd.** Account No.: 001-217926-981. Please indicate invoice number, sale number and sale code for easy reference. To avoid any delay in releasing goods, prospective buyers should supply bank references before the auction.

Storage and Insurance

All purchases will initially be held for collection at the saleroom at no charge. Christie's provides insurance cover for a maximum of seven days after the sale. If purchases are not collected within the time stated in the catalogue, they will be deposited in the warehouse and charges will be incurred. Details are given towards the back of this catalogue (see "Christie's Charges and Sales Tax at the back of this catalogue").

Shipping

Shipping can also be arranged on your behalf. You can also instruct the shipper of your choice, either immediately after the sale, if you are attending, or in writing on the instruction form sent with our invoice.

Auction results by post

Lists of prices realised at Christie's auctions are available on the Internet or your nearest Christie's office or can be requested from Christie's Publications at (44717) 389 2820 or Christie's Thailand at Tel: (662) 652 1097 or Fax: (662) 652 1098.

SELLING AT AUCTION

Christie's is happy to provide a free verbal estimate of the auction value of your property and you can bring items into our salerooms at any time during normal business hours. To ensure prompt attention, it is advisable to make an appointment in advance with the specialists department. If a visit is not practical, please send a clear photograph and a written description.

Consignment Agreement

If you decide to sell your property at auction, the procedures are simple and Christie's specialists and administrative staff will do all they can to help you throughout the process. After discussions with our specialists, you will receive a contract, which sets out the terms and fees for services we can provide, such as insurance, shipping and catalogue illustration.

For most categories, Christie's standard commission rate is 10% of the final bid price. VAT is charged on this commission where appropriate. Christie's generally charges a minimum commission of Baht 3000 for each lot sold, explained at the back of this catalogue. Christie's will suggest a reserve

price and discuss our recommendations for pre-sale estimates of each property that you consign for sale.

Delivery of Property to Christie's

After you have consigned property to us for sale, you can bring your property to Christie's yourself, or arrange with your own shipper to deliver it to us, or Christie's specialist department can organise for it to be shipped through Christie's Shipping Department. Property should arrive at Christie's at least three months before the sale in order that it can be researched, catalogued and photographed. Your property is generally stored without charge at one of Christie's Secure warehouses, although an insurance charge will be made.

Pre-Auction Notification

Before the auction, you will receive a copy of the catalogue featuring your property and a separate confirmation of the reserve price(s) below which it will not be sold. The catalogue is sent to subscribers worldwide and offered for sale through our offices.

AFTER THE AUCTION

Post-Auction Notification

Within a few days after the sale, you will receive a notification of the final bid price (hammer price), or, in the event that the property failed to sell, notification that it was bought-in to be returned to you.

Unsold Lots

If a Lot does not reach the reserve, it is "bought-in". The seller should collect such property following the instructions given at the back of the catalogue under "Collection and Storage".

Payment

Approximately 35 days after the auction, you will be sent net sale proceeds and a settlement statement itemizing commission and any other charges. Payment can only be made when Christie's has been paid by the buyer.

Praiwai is Thailand's foremost "Super" realist. He made a name for himself by painting scenes of old, run down monasteries, which he then entered into competition and received a gold medal in the 27th National Art Exhibition. This immediately ushered in the rebirth of realism which had been over-shadowed by abstractionism for a long time.
