PREFACE

Every artist always dreams to have his or her art book. An artist's art book has served two functions, first, is to tell the story of that artist, how he or she creates their arts, what kind of particular concept or idea that inspires their art works. The second function is to show the beauty of the art works through a photography reproduction, in best it can show a saturated color, a brush stroke or some minor detail, etc.

It requires time and hard work to take a photograph, edit a text and correct a printing process.

Rama IX Art Museum Foundation

I would like to thank people who contributed their effort to this project of publishing my art book.

Billy, Vasan Sitthiket, Gumsak Atipiboonsin, Matikorn, Sanya, Anamai, Yokkaew, Manao, Moungfa & Monklown Busamaro, and Panngarm Chairaksak.

Enjoy the book!
