Nole and Toné

Foundation

Rama IX Art Museum Foundation

“

Using just three geometric pentagons and distinctive color strokes of the palette knife, Suchao painted:

1. a self-portrait, 2. his desire in life and

3. his emotional reaction when it was not realized.

Rama IX Art Museum Foundation

No other living artist I know can do that

in just one simple painting.

”

Sivaporn Dardarananda
